Springtime at Callaway Gardens March 20-22, 2009

3 Days

Spring is the most glorious time of the year at [Callaway Gardens](#), when the landscape transforms into an explosion of vibrant color. The entire season is filled with natural beauty everywhere you look! Callaway Gardens® is a stunning [Pine Mountain, Georgia](#), resort that blends the tradition of nature-inspired luxury and superior service with a new era of indulgence and dramatic rejuvenation. The comfort and elegance of this magical Georgia retreat is surpassed only by the mesmerizing beauty of its expansive natural surroundings. You can wander through four distinctive gardens, each showcasing the wonders of Mother Nature in its own special style.

Franklin Delano Roosevelt built the [Little White House](#) in 1932 while governor of New York, prior to being inaugurated as president in 1933.
